MiniMe

Un solo look... in versione petit!

Nel mondo del decor qualcosa sta cambiando....

I bambini di oggi hanno sempre più stile e carattere, e il loro gusto si sta evolvendo proprio come la ricerca e la personalizzazione degli spazi dedicati a loro. La nuova tendenza MiniMe rappresenta un mondo colorato e particolare che piace a tutti, che diverte e regala la possibilità di condividere.

Uno stile da "grandi", libero dall'identità di genere dove colori e dettagli si articolano fino a creare un'atmosfera semplice e serena!

Nasce così un nuovo modo di concepire la cameretta dove tutto si rivoluziona! Disegni, colori, motivi e decorazioni si evolvono fino a conformarsi con lo stile di tutto l'ambiente domestico.

One look...in petit version !

Something is about to change into decor world...

Nowadays kids are more stylish and have strong behaviour and their taste sensation is evolving such as the research and customization of the spaces especially for them. The MimiMe trend shows a coloured and particular world liked by anyone, which entertains and gives the chance to share.

An "adult" style, free from identity gender where colours and details are structured up to create a simple and quite atmosphere!

Thus, a new way to conceive the children bedroom is born, where everything is revolutionized! Designs, colours, motifs and decoration evolve up to comply with the style of the whole home environment.
